PRAKHAR GOEL

I am a seasoned professional with a rich and diverse career trajectory that spans across entrepreneurship, education, consultancy, and leadership domains. With an extensive tenure as a Founder & CEO within the IT consultancy sphere and many more business verticals, I have cultivated a robust understanding of business dynamics and financial management. My journey has been shaped by a profound dedication to fostering entrepreneurship and educational advancement. As a leader, I've championed initiatives that promote innovation, mentorship, and community engagement, holding pivotal roles in numerous organizations dedicated to nurturing aspiring entrepreneurs and honing their skills. My tenure in each organization I am associated with has honed my abilities in strategic leadership, networking, and collaborative endeavors.
