AKRITI GUPTA

/ARCHITECT

ABOUT ME

I am Akriti, an enthusiastic fresher with highly inspiring leadership skils. Aims to seek a responsible career oppportunity to fully utilize my skills and knowledge with some experience in architectural design and drawing.I have been learning and developing since graduation, not only to further my work, but also because I believe sustainable design may help solve solve some of our most pressing problems. In this regard, I am presently studying for the LEED Green Associate certificate exam.
